

## IGUANA APLANO

MANUFACTURED BY:

Warmth with a symbolic value. Inspired by a child's drawing, an interpretation of the brightly shining sun, transformed into a fully functioning work of art.

With the Iguana Aplano the slim triangular radiant pipes are placed alongside each other in a flat plane. Elegant simplicity with a frivolous touch.

Also available as "Plus" version for higher heat outputs.

10YEAR\*  
WARRANTY

### FINISHES
