

HONEYWELL WI-FI 9000 THERMOSTAT

MANUFACTURED BY:

Honeywell

The Wi-Fi 9000 allows you to remotely monitor and manage your home's comfort and energy usage anytime, anywhere.

With the free Total Connect Comfort app for IOS and Android you can:

- View and change your heating and cooling system settings remotely
- Get temperature alerts via email or in app
- Access multiple locations if more than one system is connected

**5 YEAR*
WARRANTY**

Once your thermostat is installed by your heating and cooling professional, go online to **www.mytotalconnectcomfort.com** to create an account and get remote access to your thermostat no matter where you go.

Don't forget to install the FREE app on your tablet or smartphone!

Additional features include holiday mode, Smart Response Technology, 28 customisable displays, external weather information based on location.

HUNT HEATING
The smart choice.

ENERGY SAVINGS

Choose programmable mode to save on annual heating and cooling costs

CUSTOMISABLE DISPLAY

Easily change the high-definition display to any colour you choose

ON-SCREEN COMFORT INFORMATION

See indoor and outdoor temperature and humidity information right on the home screen

INTERNET TIME-SYNC
