## TELFORD CAST IRON RADIATORS

The round top section of the Telford feature a solid centre between the columns providing bigger outputs and a more robust style.

Sold by section, these radiators feature 2,3,4,5 or 6 columns with 3 foot designs to choose from.

Radiators are supplied undercoated white and are treated to resist atmospheric agents. This makes an ideal primer for the finishing coat of enamel in your colour choice.

## MEASUREMENTS

Available as 2,3,4,5 or 6 columns in various heights.

enquiries@huntheat.com.au

Table based on  $\Delta T$  50 - Mean water temperature in radiator of 70°C and room temperature of 20°C.

لے						
60mm						

Model	Output Kw Δt 50	# Columns	Height	Depth	Max # Sections	Section Widths
TELF2C43	0.043	2	430	70	40	60
TELF2C58	0.054	2	580	70	40	60
TELF2C68	0.063	2	680	70	40	60
TELF2C98	0.086	2	980	70	40	60
TELF3C58	0.071	3	580	110	40	60
TELF4C43	0.074	4	430	160	40	60

TELF5C98	0.202	5	980	220	40	60
TELF6C28	0.072	6	280	250	40	60

Note: radiators to be ordered with feet and wall brackets as appropriate

## NOTES:

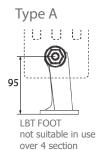

Total length of radiator equals number of sections x 60mm. Add 15mm extra for plugs to either end of the radiator (30mm overall).

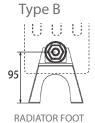

Central distance of pipework equals total length including plugs plus 90mm for the radiator valves (depending on valves used).

To calculate centre line of valves from wall, take radiator depth off table above and divide by two, add bracket depth required (options of 30,45 & 60mm) for total off wall.

Position wall brackets 150mm down from top of radiator as shown.

Care should be taken when specifying larger sections, as the total weight may exceed practical limits.

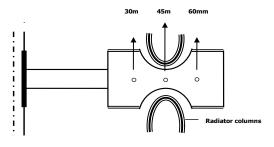

Type C

PAW FOOT (UNPAINTED)

RECOMENDED MOUNTING OPTIONS						
3 - 15 Sections	16 - 25 Sections	26 - 40 Sections				
2 Feet/Footed Sections	3 Feet/Footed Sections	4 Feet/Footed Sections				
3 Wall Brackets	4 Wall Brackets	6 Wall Brackets				

## WALL BRACKET

Adjustable to 3 positions - measurements are from wall to centre of radiator which corresponds to centre of bracket curves (comes with screw to adjust to three hole positions)
